It's smooth jazz, but don't let the smooth taste fool ya'. 15 MP3 Songs JAZZ: Smooth Jazz, EASY LISTENING: Background Music Details: It's finally here, the new CD release "Warm Daddy" by the keyboardist / percussionist Cliff Pearsall. It's his third CD, and it's really great. Sampling this new, and totally original work of art will be time well spent. The blend of rhythm and melody is a welcomed union. The seemingly unlimited keyboard improvisation calls out to you saying "Relax, he's got it all covered" Produced by Cliff Pearsall for "Neo Musiq" Cliff Pearsall has shared recording credits with some of the greats of our time. The late "Grover Washington Jr., James Mtume, Jean Carne, Rose Royce, (London's own) Princess, and many, many more. This road is slow and easy, but he also sets his course on the warm mid-tempo cruise. Every selection is well thought out. Having a dinner party? This is the perfect mood setter. Taking a trip in the car? It'll take more than a traffic jam to change this mood. Any time is the right time. Including your CD player at work. It's totally enjoyable. You know how some CD's start off really great, but somewhere along the way it loses something? Not "Warm Daddy" It is totally enjoyable from beginning to end... A very mature sound that can be enjoyed by all. It has r&b, and traces of hip hop overtones. Also it has the ability to bridge the musical generation gap. We call it "Neo Jazz" "Warm Daddy" try it, were sure you'll love it. Thank you Peace Love The team at "Neo Musiq"
