

## Mp3 Crather - Artificial

[DOWNLOAD HERE](#)

Catalogued as "unique" and "different from ordinary", they bring together alternative rock with electronic sounds in such a perfect and balanced approach that makes the listener think of being in a spaceship watching the world from the outside. 14 MP3 Songs LATIN: Rock en Español, ELECTRONIC: Latin Freestyle Details: Crather is one of the most active bands in Chicagos Rock en Español scene. Since their beginnings on 2004, Crather has grown up musically and professionally in such way that they have been participating in the top events of Spanish Rock on Chicago and other states. Crathers music is a mixture of Alternative Rock with some Electronica, Pop and other experimental sounds that has given the band a very characteristic sound. Crather has been sharing stage with artists such as Moenia, Belanova, Alejandra Guzman, El Tri, Ely Guerra, Enanitos Verdes, La Cuca, among others. Their artistic career has been continuously covered, and supported by the media of the city of Chicago like TV stations, Radio, Newspapers, Magazines, Internet and other supporters of this genre. Crathers band members are: Ernesto Flores (vocals), Arnulfo Mendoza (bass), Lourdes Aguirre (keyboards), Manuel Mendoza (guitars), and Eduardo Aguirre (drums). Their first CD called ARTIFICIAL was released on July 2007 in the city of Chicago, IL (USA). This CD has been catalogued as unique and different, by some people from the media in Chicago. Artificial is a good production with great sounds, lyrics and a cool image that consolidates this band as one of the favorite bands representing the new wave of Alternative-Rock-Electronica in the Latin market.
