Bold, steel-toe Americana with dark harmonies and a hint of barnyard. 11 MP3 Songs COUNTRY: Alt-Country, ROCK: Americana Details: Crowboy was named for the sound we seek: ragged, mysterious, beautiful, raw, resourceful. Crowboy is all of this and more, in the form of music performed with integrity and conviction by Christopher Smith and Todd Redmond. These Colorado natives are both visual artists who can't help but bring their unique and creative outlook to their music. The result is something both familiar and fresh: strong dynamics, catchy melodies, sparkling harmonies, and sharp lyrics that pour new energy into the fine tradition of American music. Crowboy is all about exploring and expressing their side of the American experience. Christopher Smith: Harmony vocals, acoustic and electric guitar, drums, percussion, bass, mandolin and the occasional penny whistle. For live performances Brian Bodley joins us on drums.
