First class storytelling from a modern day troubadour. 18 MP3 Songs FOLK: Modern Folk, ROCK: Folk Rock Details: Sometime last winter I thought that it might be a fun thing - to have a tangible souvenir from these shows that Julie Beaver and I have been doing in recent years. So I called Julie, booked a night at Coalesce and persuaded hootmeister Steve See to MC. I asked Rick Sutton to bring his remote recording gear, and invited a few friends and fans to play audience. A few days before the event a friend suggested I set up a video camera for the people that had never been able to see us perform. I called Julie's dad, Paul, knowing the video he'd already shot of his daughter would fill a small library. I asked him to bring his camera to the show. He brought five. What you have in your hands, be it CD or DVD, is most of what happened that night. We hope you enjoy it. Darryl Purpose Nederland CO Oct 2005
