

Mp3 Douglas Lyons - Why Can't We Fly?

[DOWNLOAD HERE](#)

My music is a mixture of old school R&B with a little Latin and hip hop flavor. The love ballads are heart felt lyrically as well as musically moving. A romantic CD that if you have someone in your life you can tell them how you feel with my songs. 10 MP3 Songs URBAN/R&B: Contemporary urban, POP: Today's Top 40 Details: Introducing Mr. Doug Lyons. A self taught musician who has played and sung back-up for many artist. Some of the artist to his credit are, Billy Paul, The Ebonys, The Elgins, The Chilites, Ray Goodman and Brown, Brandy Wells, The Delphonics, Barbara Mason just to name a few. He has graced the stage with such artists as R.Kelly, Sheena Easten, Bill Cosby, The Whispers, The Manhattans, The Temptations and many more. He has traveled the world playing music to countries like Japan, Brazil, France, Italy, Germany, Panama, Africa, London, and is still traveling to this day. A style a little different from any one you've heard but he has been compared sometimes to sounding like Luther Vandros to John Legend. He has been working with different producers and writers and has grown into his own. He has been refered to as Big Teddy to all his friends and people comment on how versitle his voice is. This CD is a labor of love for the music industry. You will here it in the music and this is the first of many projects from this artist. Still traveling the world and spreading his music and love as the musical director for the grammy award winning artist Billy Paul. "I hope you enjoy this CD as much as I enjoyed doing it." All instuments except the trumpet solo on dance with the girls are performed by Doug. All vocals are arranged and performed by Doug." If you want to tell your mate how much you love and adore them this is the CD for you. A romantic CD that you'll want to cuddle up with someone and listen to." There are also a couple of latin as well as a song with jamacin flavor. Thanks for listening and look for more in the future.
