

Mp3 Eve Selis - Do You Know Me

[DOWNLOAD HERE](#)

Some have described her music as Roadhouse Rock, others call it Thunder Twang; nevertheless, it's hi-energy rock with soaring pop melodies and a little country twang, held together by Eve's amazing voice. 13 MP3 Songs COUNTRY: Country Rock, COUNTRY: Country Pop Details: Eve Selis is a local treasure on the verge of international success. She called her brand new CD Do You Know Me, and for more and more people every day the answer is a resounding "Yes!" She is blessed with a powerhouse voice and an electrifying stage presence cultivated over years of dynamic live performances. Through the relentless pursuit of a dream, Eve Selis has harnessed the power of the Internet and garnered a grassroots following that would make many major-label acts envious. Eve Selis is poised to become the first great indie success story of the new millenium For over 8 years, Eve has been a beloved fixture in the San Diego music scene. She was named "Best Adult Alternative Artist" in the 2001 San Diego Music Awards, and was nominated again this year. Her third independent CD, Long Road Home won "Best Pop Album" in 2000. She has headlined coast to coast, from the House of Blues in Hollywood, to the legendary Bitter End in NYC, and has shared the stage with Travis Tritt, Chris Isaak, Counting Crows, Crosby, Stills and Nash, the Doobie Brothers, Jewel, and Joan Osborne to name a few. Add to this the millions of music fans who visit MP3.Com, where she is one of the top female artists with almost a million downloads, and you can see the future taking shape. The title track, "Do You Know Me," went to No. 1 on Mp3.com's Adult Alternative chart within a week of its release. In a better world, this is a woman who would need no introduction, but through hard work, word of mouth and sheer perseverance this independent artist is making her presence known in a major way.
