As the music starts you are transported to another dimension and wonder if you have just taken the red pill... 11 MP3 Songs ELECTRONIC: Ambient, ELECTRONIC: Chill out Show all album songs: Rays of Life Vol. 2 Under Songs Details: Grains of Sound - Rays of Life Vol. 1 Down and Vol. 2 Under ...as the music starts, you are transported to another dimension and wonder if you have just taken the red pill... Rays of Life Vol. 1 Down contains 10 downtempo tracks. Hypnotic, futuristic grooves that are perfect for a night dreamscape or the chill-out room at a psy-trance party. Grains of Sound weave through your consciousness and leave mysterious marks with minimal beats and textured sounds that are as deep as the desert sands. Rays of Life Vol. 2 Under contains 11 ambient tracks. Chilled-out voyages to the corners of the universe and the corners of the mind. Grains of Sound constructs evolving layers of distant lifeforms, glassy robotic beacons, and sub frequencies that are compellingly vast, sending listeners on heart-felt expeditions which are way in and way out. Both CD's are currently available for sale at altercultureand will be available through other outlets in the coming weeks, and Itunes, etc. in the coming months. Grains of Sound is a side-project of Mindless Faith.
