

Mp3 Indian Funk Crew - Stayin Real

[DOWNLOAD HERE](#)

true native stories of pain and struggle with a slammin mix of the south and california rap 18 MP3 Songs
WORLD: Native American, HIP HOP/RAP: Rap Details: The Indian Funk crew are making plenty of noise with their debut album "Stayin Real." Rollin' fox and Btaka are Native American brothers who have put together one of the best Native American rap albums available. Btaka produces all the music, which is slammin and definitely has a tribal feel to it. Rollin' Fox brings lyrics of pain and struggle through the eyes of a warrior. The album was recorded in their own studio that they built from previous success of Btaka's solo albums. The Indian Funk Crew has been touring regionally as of late and will be planning a nationwide tour in 2001. "Stayin Real" has something for everyone and is a record you will have to hear more than once. If you have gotten a taste of the native rap scene then this album is a perfect start. Buy this album now!
