urban/r&b rhythm&blues 15 MP3 Songs URBAN/R&B: Rhythm Blues Details: JESSE JAMES Jesse James, affectionately know as J.J. to friends and close associates, has a unique soulful sound. Born in Louisiana, Jesses singing ability was ecognizable at an early age when he began singing, clapping and praising God along side his Mother in church. While still a toddler, his family relocated to California. After literally singing his way through school he accepted his first professional singing engagement at The Makesmo, a poplar night club in Richmond, CA. That is where Jesses singing style and flavor earned him constant bookings and respect as a professional recording artist, composer and entertainer. Working with the late great Hosea Wilson , who was the National Promotion Director for 20th Century Records, Jesse enjoyed success with his first major release ,Believe In Me Baby. Jesse quickly became a hot ticket and made believers out of a lot of critics.The hit I Can Do Bad By Myself launched a new chapter in Jesses career. In 1988, Jesse signed with Barbara Thomas, President of Atl, GA based GunSmoke Records and released four CDs. The first CD I Can Do Bad By Myself, sold over one million copies that included great hits such as ZZ Hills, Cheatin In The Next Room, as well as I Can Do Bad By Myself Remix. The versatility of his songs like What Happen To The Dream", "Something To Believe In", and "Were Gonna Make It. The fourth CD entitled It Just Dont Feel The Same really showcases Jesses versatility with soulful gospel and R B sounds. Its no surprise that Jesse would pay tribute to his roots in the gospel song The First Day of My life. For Blues lovers he features Millie Jackson on the remix of. It Just Dont Feel The Same, At Last, Im Not Gonna Go Down, and Why Do You Have To Lie. Jesse James, is back the with his latest CD release, Its Not So Bad After All.This CD is by far the best yet, such songs as Your All In My Dreams, You Got To Play If You Wanna Play, Let Me Be Your Pacifier, Id Rather Eat Soup, When Are You Coming Home, Its Not So Bad After All and a tribute to his late son High Speed In The

Ambulance. Jesse continues to reinvent himself with his continuous drive and determination, proving that he does have staying power.
