Today's Top 40, EASY LISTENING: Love Songs Details: After the initial round of reviews, Krissy went back into the studio and reworked three of the songs, giving them more pop and a more uptempo sound, pulling out her extensive on-stage experience so that there is even more emotion in her compositions. The difference is simply incredible! Songs such as "Let Go" and "I Miss You" draw you in, while "The Soldier" remains pure and simple evoking emotions strong enough to make real soldiers wipe the tears from their eyes. If you have a father, listen to "Daddy" - it says it all, while songs like "Roundtrip to Nowhere", "Flawless" and "Come Home" are anthems for anyone who has ever seen a relationship go wrong. The beauty of the music is that it varies by song and is incredibly listenable, giving you the opportunity to focus in what you want to hear the first time and visit the songs time and again for pure music pleasure.
