Melodic and infectious, Mark displays crafty guitar work and emotional lyrics in this Hang-out-with-your-friends Acoustic-driven Rock. 12 MP3 Songs ROCK: Acoustic, ROCK: Modern Rock Details: "I know this change has been great for me I know that our lives reach destiny and a chance made is a chance lost but I'm living life the only way I was taught" As you hear these lines in the opening song "Look Live Learn", you begin to realize Mark Lane is not a seasoned veteran. The first time he performed live by himself, he did a rendition of Britney Spears' Baby One More Time. The sing-a-long on acoustic guitar seemed almost too funny to be considered a talent. But 3 years later, it's evident that there is much more to him than just a funny act. Before moving recently to California, Mark had begun to start a following in his hometown of Erie, PA, splitting vocal and guitar duties with a two-piece acoustic band called "Dojo Joe", which were known for their intense, but fun shows. Now, with the release of "Lost In The Desert", Mark is able to explore a full band sound, while holding on to his powerful, acoustic-driven live sets. Mark is truly looking at all of life's possibilities, living each day to its fullest, and learning a lot along the way. And maybe playing some Britney Spears too.
