Details: I was born in 1982 in Ocala, Florida. I have been playing piano since I was 5 years old and have been writing original pieces since I was 8. I won 2 talent contests when I was younger and released my first original C.D. entitled "Through My Eyes" in 2003. In 2004, I released my second C.D. "Redemption" which paved the way to my first two film scores, "Deadgirl" and "The Lifechild Chronicles" in which I received "favorite composer" at the feature film festival in California for a California-based production company. I then began receiving offers to score other films and video games and also wrote an original full orchestral arrangement for the local orchestra entitled "The Journey". In 2008 I was chosen by the Ocala Community Concert Association to perform a big feature concert in Ocala where the venue was sold out. At the concert I released my newest C.D. "A Place In Time". Throughout 2004-2008 I have been featured in many newspaper articles and interviews. I also have a pending film score for in the works which will be released later this year. I also own a music production company called "Nitesail". Please visit nitesailfor film inquiries. Thanks!
