Traditional Country Music from a popular television and radio artist in Canada. 15 MP3 Songs

COUNTRY: Traditional Country Details: I hope you enjoy these songs as much as I enjoyed recording them. What a rush to record with some of the most talented musicians in Nashville, a producer like Gary Buck, an engineer like Tom Pick and some of the finest songs by Jack Ownbey and other writers that I have ever had the pleasure of recording. This album is for my wife Glory, my mom, my family and close friends who always believed in me. Thank you Jesus for taking me this far. Love, Ray
