"Banana Bedtime" is a children's bedtime CD for the whole family, from getting ready for bed to storytime to lullabies. 21 MP3 Songs in this album (70:49) ! Related styles: KIDS/FAMILY: General Children's Music, KIDS/FAMILY: Lullabies Details: It's bedtime and Mom and Dad are more tired than the kids, who seem ready to party through the night. Everyone's favorite, award-winning national children's entertainer/singer/songwriter Shana Banana has the answer and the relief: BANANA BEDTIME! Her newest CD (based on her own experience as a mom of two little ones) takes kids through the stages of bedtime, starting with high-energy transitions from bathtime to toothbrushing, then slowing the kids down gradually with stories and songs and, finally, lullabies. Parents can let this groundbreaking CD do the work for them, and everyone has fun GOING BANANAS at bedtime! Recommended for children of all ages, especially preschool.
