Funky singer/songwriter with a pop edge and a deep soul. 10 MP3 Songs POP: Folkly Pop, ROCK: Folk Rock Details: "Sometimes a kids just gotta sing, replies Shawn Brown when asked what brought him to music. Although the answer itself seems simple, it is indicative of the Boise natives attitude towards his chosen trade - simple and soulful. Shawns new full length record Just in Case, is a showcase of all that he has been working towards since first finding a national audience with his Lucky Boy EP. The new disk, produced Pat Mosca, successfully combines Browns signature acoustic rock with an urgent contemporary street feel. The result is a potent mix of upbeat, radio friendly fun and Shawns soul-drenched, emotive voice. Shawn describes his disk as singer-songwriter vibe mixed with a generous helping of urban, hip-hop soul. His sound has fueled comparisons to artists such as Marc Broussard, Gavin Degraw, and Jason Mraz. (This guy gives Rob Thomas a run for his money!" Away Team. COM.) As to all the attention that the last year as heaped on him, Shawn smiles wide and says softly Pretty wild, huh? He is continuing to play shows nation-wide and is looking forward to his next tour. As he sips a beer from the top step of his house, Shawn bleeds excitement for what is coming for him down the road. Man, I just love to sing for folks. I love it. Simple and soulful, its just the way he does it.
