Alternative Reggae Rock with a Latin flair 12 MP3 Songs ROCK: Progressive Rock, WORLD: Reggae
Details: Great music and style from Taos, NM based band aptly named SURPHING MATYLDA. They play and play with heart in person and a bit of that is captured in this production by TAJPRO Audio in Santa Fe. The mix and studio work done at Rancho Digital is superb thanks to Edgard Rivera and Andrew Click. Indie music lives. Reggae, Rock and Latin influences the music with strange lyrics by weird guys.
