Be on the look out over your shoulder cuz we'll be comin at ya soon enough! Time to show T-DOT what thug love is all about! Our Mission 416.647 God put each of us on this planet for numerous reasons. To fulfill our specific duties we must gain certain experiences throughout our time. There are situations which some will face, while others never will. Situations that can either make or break. In the life of most artist musicians there tends to be a lot that gets thrown at you with the intent of breaking spirits. Not to mention the hardships of everyday life we all encounter. At Time Wasted Productions we know and understand this reality. Weve been living it from time, scars and the whole 9. Not just talking about the main heads. Weve known many gifted individuals all our lives, who have strived for the ghetto to riches dream. Weve seen too many fall into the gutters just trying to be true to the talent they possess. Allowing failure to weaken them into the lower realms of living. Its about time for an organised effort to help elevate and improve each others lives. Why deny the use of our God given connections? Time is wasting everyday and there are a lot of hungry, suffering, broke, talented people out there. Our goal is to give much needed exposure to the real talents

of the music underground, regardless of genre. This 1st album is just a taste of bigger things to come. To wet your appetite, leaving you in anticipation for the next. To show you how serious we really are. We intend to continue providing you, our fam, with head bobbing raw music straight off the streets. Time Wasted is for those who wanna do what they love to do on the daily and get paid for it! Our aim is to get funds circulating throughout the hood and in areas that need it most, providing better standards of living for all who deserve it. We see everybody as Time Wasted fam, that just dont know it yet! All about elevation in every element. Once we get up, the whole fam is up! This is more than just music... This is a movement! Walk with us.... 1Luv Blessings! Time Wasted Productions
