

Mp3 Tray Dot - Rookie Of The Year

[DOWNLOAD HERE](#)

Tray Dot, The First Lady of Most Mated Entertainment. She is HARDCORE...rippin' males and females apart in battle...Check Her Out. 22 MP3 Songs HIP HOP/RAP: Hardcore Rap, HIP HOP/RAP: East Coast

Details: Tray Dot, The First Lady of Most Mated Entertainment hails Straight Out of Yonkers. Shes known to be a vicious battle rapper, but has recently calmed down to write songs. She is 17 years old and as far as Yonkers goes, she is the #1 female rapper and the only female rapper in the Most Hated camp (which includes Bully, Nestle, A.P. and Jenz). Her CD Rookie of the Year has sold over 400 copies to date.

There are 21 tracks on the CD and featured artists are Bully (D-Block/Most Hated), Jinx (Bloodline/Most Hated), A.P. (O.D.G./Most Hated) and Nestle (Most Hated). Tray Dot is versatile she goes at guys and girls and writes songs. She is the fifth artist signed to Most Hated Entertainment, a Yonkers-based independent label that has sold over 10,000 CDs and Mix CDs from the streets of Yonkers all across America and around the world. She is featured on DJ Superiors Against All Odds which sold over 1,500 copies and is still going strong. Producers for Tray CD are DJ Superior (CEO Most Hated Entertainment), Dutch (CEO Bad Habbits) and J-Blend (Most Hated Entertainment). Her mix CD also features her brother Shawn Streets, a young up-and-coming rapper. Tray will also be featured in Peer Pressure, a Most Hated film that gees into production later this year. Highlighted on her CD is track #8 featuring a remix of You Dont Want It featuring Bully, Jinx A.P. on which she holds her own with her record label mates. Look out for Tray on the upcoming DJ Superior CD Hostile Takeover where she rips apart a Biggie Smalls beat. Tray Dot is a force to be reckoned with (Thats why the CEO of Most Hated Entertainment DJ Superior has been closely working with her himself. Tray not only writes her own rhymes, she writes for other people as well. Tray Dot is a success story waiting to happen. Check her out!
