An anointed lyrical giant, who grabs the audience by his deep rooted, southern, biblical style, Scopes all targets with a versatile catchy sound. 11 MP3 Songs HIP HOP/RAP: Spiritual Rap, HIP HOP/RAP: Rap Details: Armed and Dangerous, a much anticipated album from Trigga, has God's signature all over it. This artist is definitely on the rise with such an anointed flow spreading from the heart of God to all races, creeds, and colors. Not only is the cd getting great publicity and praise for what God has done in this young mans journey, his straight forward lifestyle speaks for itself, as he is definitely a light in any environment. The calling on his life speaks much of about the fathers character. He has dwelled behind the scenes much of where the road less traveled, and less recognized, opt for easier trails. Trigga has continued to do the work that God's hands lead him to touch. To speak and place a stiring in the hearts of abandoned souls for eternal citizenship. In his time of steady purification he has felt the deep despair of being spiritually incarcerated to the dungeon. With so many divers of temptation and defeat latching on to thwart the lords plan. He has been learning much more in a living God that we don't always grasp and understand. The turmoil of spirit has afflicted Trigga as a purposeful price for the holyspirit anointing. Not for the glory of self, not for fame and wealth, or any other reason. But for one.....the glory of GOD. To fill the concious longing, that something once experienced by him, nagging to find out a true life existance and worth. An original style spoken and established by the Almighty, takes you straight to the very passion of the maker. Loaded to touch the very reins of the mindset and soul that has been infected by sin. Trigga's transformation boomerangs in an array of directions untainted to the enemy that can be related to and identified by everyday people. With a wide scope of elaborated word for just about any issue and the deep things of the spirit realm for the equipping and edifying of the body of christ. Not only is he successful in affecting both sides but is due to lift the stereotyped label of the industry, saved and

unsaved critics that occasionally microscope the genre. The deep roots throughout Trigga are a sure fire to spread wildly given unto praise and the daily renewing of the mind process for spiritual growth. In a world known for immediate gratification and stimulation this carefully shaped vessel set apart for the masters use is of the few. In that secret place, a place of power and love and not of condemnation. Willing to take the backseat and keep his eyes on JESUS....softly saying the time is now, now to bring in the harvest as T.R.I.G.G.A, Truly.....TEACHES-RIGHTEOUSNESS-IN-GODS-GLORY-ALWAYS.
