

Mp3 Vudublu - I Blame It On The Blues

[DOWNLOAD HERE](#)

High-energy, emotionally-swinging blues that delivers an evident groove and a genuine style that will carry the blues a long, long way. 10 MP3 Songs BLUES: Electric Blues, BLUES: Rockin' Blues Details: If your new to the blues, or a true blues lover, you got to have this in your collection. VuduBlu can only be described as a band that serves up the blues with a little bit of funk and a whole lotta soul. It's in 'em and it's got to come out. Solid grooves, great guitar playing, well-written lyrics, and strong vocals, what more could you want? It does the blues from one end to the other. VuduBlu decided they would help carry the torch for blues by injecting new ideas into the proven product of this wonderful music, not just copy what all the others have done. The past, the present and the future, all rolled into one. Expect the unexpected because the groove is evident, the style is genuine...the music is VuduBlu.
