Stop losing your hard earned commissions to nasty affiliate thieves and add credibility while promoting others. Discover what this amazing software does: * Hide your ugly affiliate links and boost your click through rate by at least 200 * Protect your affiliate links and keep your hard earned commissions from being stolen from the nasty affiliate thieves * Redirect your cloaked links to any site of your choice so that others won't even notice it's an affiliate link (and you still credited for your commissions!) * Give you the ability to bypass merchant's squeeze pages and send your prospects directly to their sales pages or even the order page * Provide you the luxury of linking to even your own sale pages that you've created or other marketing materials in the event your merchants' sales pages are of inferior quality * Skyrocket your affiliate commissions and elevate you to the super affiliates status! And much more!
