Martin Scorsese's obsession with sin and redemption, conflict and violence runs through much of his work. This essential guide to Scorsese explores his career from his early student works, including *It's Not Just You, Murray!*, through his personal examinations of his Italian American heritage in *Mean Streets*, *Italianamerican* and *Goodfellas*; the extreme violence of *Raging Bull*, *Taxi Driver* and *Cape Fear*; and the religious themes - from a director who originally wanted to be a priest - of *The Last Temptation of Christ* and *Kundun*. Including all Scorsese's films up to *Gangs of New York*, this is a comprehensive study of the work of this widely respected film maker. Also covering his influences, the controversy surrounding his films, exhaustive music lists and long-time collaborations, this is an extensive analysis of the most consistently passionate, committed and inventive film director of the last thirty years.
