I totally understand that not EVERYONE already knows who Mike Filsaime is, so I am going to give you a short bio and you will soon see why people line up to listen to what Mike has to say..

PayDotComis perhaps the second largest marketplace for digital products on the Internet. Thousands of sellers use PayDotCom to market their ebooks and software, and thousands of affiliates make a living just by promoting the products on PayDotCom. Guess who owns it? bfm In its first week Butterfly Marketing Manuscript made more than USD400,000 and became Clickbanks best-selling product in history. Even today, this product is such a hot seller that some people base their entire business model just promoting and marketing it. With the 7 Figure Code (you must have heard of this!) Mike went even further and sold a few thousand copies of his \$997 DVD course in which he reveals everything he does to an eager group of six-figure marketers... How much Mike really made this product I guess only he knows, but its said to be a few million dollars in sales within the first month... Youre probably reading this because you want to be like Mike Filsaime (or at least anyone like him). \* You are sick and tired of an empty Paypal account and youd kill to be mking a six-figure income like Mike Filsaime.. \* You worship rich people (although you say you dont) and would gladly break your piggy bank to scrape up every morsel of a millionaires wisdom if given the chance.. \* You long to ask millionaire Internet Gurus questions about making money online but every time you get near one, a throng of fans surround him completely (think delirious teenage girls at a boy band concert) Well look no further my friend because your wishes are about to come true.. The Confessions Of An Internet Millionaire There is absolutely no question about it. If you want to become an Internet millionaire, you absolutely have to learn from someone whos been there and done that.. Thats

exactly why we cornered Mike Filsaime, forced him to sit down for half an hour and reveal all his secrets. You want Mike Filsaimes secrets? Weve got them for you right here.. In this explosive, never seen nor heard before exclusive interview, You will discover the following: \* 2 Ingredients For Success Mike reveals how by doing nothing but \_\_\_\_\_ combined with massive \_\_\_\_\_ while using the right strategy in mind, you will become a success NO MATTER WHAT INTERNET BUSINESS MODEL YOU ARE IN! \* How To Implement His Infamous Hedgehog Concept learn all about his much talked about principle and apply it for your business without wasting too much time in trial and error! \* Success Avoidance Mike exposes the shocking yet ironic truth why people make it all the way to 90 percent of their success journey only to drop out and fail miserably! \* A Practical Guide About Traffic forget all the hype about the latest software and launch. Mikes confession about traffic generation and its concept will blow your mind about what you know regarding your Internet marketing school of thought! \* The Next Logical Step For Success achieve a practical solution towards Internet marketing success with Mikes formulas for effective and realistic process handling. \* The Mindset Of The Master Mike reveals what goes on inside his million dollar mind and how you can have lots of fun with Internet marketing while developing yourself and progress to the next level, stage-by-stage! \* Internet Marketing Future You would not want to miss this as Mike Filsaime reveals what Internet marketing will be like in the near future and how you and I can monetize from it! \* Much, much more! Drastically Improve Your Chances of Surviving The Brutal World of Online Marketing Let me tell you a little story. As we were doing this interview, we were picking up words of wisdom all the way. But one incident stood out. Mike said a few words that made such a tremendous impact on our lives that it literally changed our plans for the next 18 months! All it took was a few words and it made all the difference! Imagine this: If a few words can make such a huge impact, imagine what an entire audio session would do for you? This is not the magic pill youve been waiting for, nor is it a beginners guide to making money online... Mike doesnt tell you stuff like: \* How to build a website \* How to edit HTML \* How to start a blog \* Etc etc.. You get the drift - this is not about the technical aspects of building an online business. Its about something altogether much more critical for your success. We didnt want to get a chance to speak to a millionaire and ask him such silly questions, to which you can find the answers easily on Google... We wanted to ask him the really IMPORTANT questions. We wanted to know how he turned his life around from being stuck in a dead-end job as a sales manager, to how he managed to stay on course while building his online empire... Its stuff like that,

guys, that you can find anywhere else..
