

A Clergy Husband's Survival Guide - Matthew Caminer

[DOWNLOAD HERE](#)

Women now comprise almost half the priests serving in the Church of England. As a result, there are many male clergy spouses who have had to come to terms with the seismic shift that occurs in family life when a wife embarks on the journey from exploration of vocation through selection, training and formation to ordination and a life of ministry. The author had his own busy career when he suddenly found himself playing second fiddle rather than being the doer in the household. Not only did this subtly affect his marriage, but as friends and acquaintances became parishioners, he was required to respect boundaries, to be discreet and often to carry the burden of unsought confidentiality. Drawing on these experiences and those of many fellow clergy spouses, this volume is a practical, informative and engaging guide to the joys and challenges of being married to a vicar. Part one deals with the process from initial call to ordination and beyond. Part two helps clergy husbands work through what their new role might involve. Part three looks at lifestyle and family issues, while Part four offers support and sensible advice if things go wrong. Author: Caminer, Matthew Publisher: SPCK Illustration: N Language: ENG Title: A Clergy Husband's Survival Guide Pages: 00128 (Encrypted EPUB) On Sale: 2012-10-18 SKU-13/ISBN: 9780281067909 Category: Religion : Christian Ministry - Pastoral Resources Category: Religion : Christian Ministry - Missions
