ÂNo salga de su casa sin Ã! Dr. Richard Vigilante, Director Ejecutivo Red Educacional Jesuita New York, N.Y. "Ian Fisher's new book is an indispensable compass for those beginning their career journey into the largely uncharted information technology field. Like the best maps and field guides, it provides a complete and clear exploration of the varied and often confusing IT terrain--from identifying the personal skills prerequisite for different IT career paths to navigating the myriad IT educational and training options and ultimately arriving successfully at that first position.
