This webmaster in a box software can be the exact tool youve been looking for to take care of your entire online business with one easy to use application... Your Name Here Dear Budding Netrepreneur, About a year ago, a very successful Business Consultant and Coaching speaker came to me, to know what he needs to know to build and market

profitable webSites. As I sat in his luxurious home office, sipping on a glass of water served by two of his beautiful staff, in one of the most expensive apartments located somewhere in the east of Singapore, It struck a chord in me that drove me towards this quest of putting together this easy to use simple to understand replicable system .It struck me so hard that if feels like hitting into a lamp post, walking with your eyes closed, trying to inhale the cool and fresh air! The answer is My Digital Webmaster! Imagine this. Think of a system that generates unlimited number of webSites that are fully pre-search engine optimized, back it up with the coolest marketing tools to allow ANYONE to start a profitable online business easily. When I mention anyone, YES! I do mean everyone can start an online business..... even if you do not have a single product. This powerful desire gave birth to an easy to understand system that can help you build unlimited number of profitable webSites and market at one go! More than a year in the trenches of research and development... We have invested more than $27,000 and more than a year in research and developing this powerful system that the simplicity to using it will just amaze you. The fact is that when you put it to use, you can now take that vacation feeling assured that you have one of the most scalable tool ever being developed to make make a stagerring online income even when you know nuts about HTML.. Are you faced with these questions everyday? How do you decide what to do next? What can be the perfect internet marketing tool for you? Assuming that 90 of books bought were never been read, how can the reader gain his knowledge on internet marketing? It took me six month to learn how to build my first webSite. It took me another 18 to make a substantial living from the net. Lucky? No I dont think so. So how can you shorten this, you may ask? Easy. Think of My Digital Webmaster as the software that will guide you through and present you with all the important tools for successful internet marketing. My Digital Webmaster is designed for ease of use without any HTML knowledge. .. Select a niche keyword from the promote section, fill into the blanks. And all the meta tags for your template pages are automatically created. Just select the template for the webSite that you would like to design. Enter your colour preferences and click preview. VOILA! your webSite is done!

Need some editing? Just go back to the specific question and edit it as you wish and click and thats it your webSite has been updated. Submit your webSite to the search engines and build the link directory for better search engine positioning easily. Want to have even better and faster profitable results? You can choose the manual method where you have to go through all the trouble to find only a single qualified JV partener or just skip that by using the JV finder tool to find the top 5 of affiliates who will help sell your products faster then you can say... huh? Just key in a search term or a URL, get a cuppa of coffee and all the information including phone numbers and even addresses, ready.
