Details: As a singer/songwriter since I was 12 years old, I had written many songs that amazed many people. I wrote and sang as a hobby and just for the enjoyment of it. Never did I actually consider recording my material professionally and promoting it. That is until I wrote the song "Forgotten Soldier" for my father, a Vietnam Veteran. The song is a true story of how my father was treated upon his arrival home from defending our Country and Freedoms in a foreign jungle in another world. He left a boy and returned a man. It is a heartfelt, true story that relates to many of the Vietnam veterans who returned home to protesters and a Government who turned it's back on these great heroes. Upon hearing this, my father broke down and cried. I had never seen this strong man shed a tear before in my life. He thanked me and said that all Veterans who had experienced what he had should hear this. So, I recorded it along with another song I wrote for all Veterans called "My Daddy cries" (On The 4th Of July) Both songs took off on local country radio stations and were highly requested. After the success of these two songs on local radio, and internet radio stations, I decided to record an entire album (CD)with some of my best material. The material in this CD(album)is all true life experiences that have happened to myself, a family member, or a friend. There is good, and some sad, but most songs are deep and true country-rock songs that are full of emotion and fun. Most people can relate to these songs, because after all, I am just like everyone else. just a person who punches a clock for a paycheck and likes to enjoy life when I am not at work. Give this CD a listen, I guarantee you will find it enjoyable and well worth your time. My personal favorite is a song called, "She Danced" it is self explanatory and an upbeat country-rock song that will get you dancing,

and partying. let me know what you think of any of my songs. contact me at andylorge2000@yahoo.com I look forward to hearing from you and sincerely hope you enjoy my songs.
