Warm, clear and sensitive vocals and strong material with a contemporary country influence from a natural talent in the mountains of North Carolina. 10 MP3 Songs COUNTRY: Contemporary Country, EASY LISTENING: Ballads Details: Born in Edneyville North Carolina, Angela has been involved in the music industry all her life. Since an early age she has loved to sing and share her clear and sweet voice with the world. In the eighties she started her professional career by singing with showbands at some of Americas famous theme parks. She moved to Nashville in the nineties when she had the opportunity to join a country recording artist as background vocalist. Since returning to North Carolina she has pursued a solo career and in 2006 she released her first CD Simplicity. The CD spotlights her beautiful voice singing original material as well as some cover songs that are influenced by the softer side of country. She is now performing at local venues to promote her CD and feed her soul.
