My style is considered to be Urban Inspirational 9 MP3 Songs HIP HOP/RAP: Rap, URBAN/R&B: R&B Rap mix Details: About Antonious Antonious was introduced to the Hip-hop community in the late 19990s. This Chicago Land native shook the Gospel Rap market with a unique, street but inspirational flow. At nineteen he signed his first recording contract with the Grapetree Music Group whom at the time dubbed itself to be the worlds number one christian rap label. They backed up this statement by selling over 300,000 units as an independent company. Antonious has been promoted in both the secular and christian markets with countless spins on radio and video formats with over a decade of service to the rap game. After a near death car crash Antonious spent the next several years reinventing his craft, character, and personal life in whole. Antonious returns with his forth upcoming release The Prodigal. This project pushes the bar on street ministry. Dedicated to those who struggle with the christian life , outside of the church walls. To those who feel that God is real but cannot relate to bible scripture being thrown at them. This version of the project is in raw form, no mix , no additives no preservatives. As Antonious experienced a wilderness season in his life he took the time to put it all on wax exposing the other side of being a believer. This project is intended for a mature audience and will remind us all of where God has brought us from. "The Prodigal", will be released next September and will not contain most of the songs available on this special pre release. Antonious would like to thank you for your love and support.
