They blend blues, jazz, folk-country styles into an exciting sound called Texazz 9 MP3 Songs BLUES: Jazzy Blues, JAZZ: Jazz Vocals Details: B4U creates new color and depth from the dusty corners of traditional Texas music. They blend the blues, jazz, folk-country styles of old Texas tonk's, concert and dance halls into an exciting sound called Texazz. They use a simple and sensual foundation. They then add complex polyrhythmic structures, a driving beat, stacked arpeggios and counterpoint melodies. Powerful storylines, whisper soft to in-your-face vocals and a dynamic delivery are standard. The music takes listeners to new places in the friendliest fashion with surprising subtlety and finesse. They are cross-over masters with a flair for the dramatic; a Broadway show laced sound that still smacks of Texas means and measures. Their sound is wide, deep, textured and memorable.
