If you like a live acoustic sound with a singer/songwriter appeal like O.A.R. Dave Matthews, John Mayer, Ben Harper, or Matchbox 20 then check out these guys. 13 MP3 Songs POP: with Live-band Production, ROCK: Acoustic Details: visit our website: bennylipp.com Q: Where did the band originate? A: Young Life in Xenia, OH Q: How long have you been playing together as a band? A: We are just getting started in the independent music scene with our new release "Local, Live, Studio." Although this CD is our first studio release we've been performing for a little over a year. Q: What genre of music would categorize your band? A: Right now it's this acoustic driven rock sound but we are constantly changing and looking to add more instruments in the future...so who knows what might happen. Q: Who are your influences? A: Jack Johnson, DMB, John Mayer, Sublime, Jars of Clay, Third Day, Ben Harper, and O.A.R. Q: Where did you learn to play? A: We are all mostly self-taught. Q: What is it you enjoy most about playing live? A: The personal interaction with the crowd and meeting new people...and the music is always a good time. Q: What is your favorite part about being in a band? A: Well, Ben just enjoys the writing process the most, while Danny brings the comedic relief to the outfit, and Arch is in it for the ladies. Q: What are your plans for the future? A: We plan on playing as many shows as possible and just enjoying the music we've been blessed with. As long as people want to hear our music we'll keep playing it.
