Harmonious Beach Boys meets Art Garfunkel sounds-of-Christmas. 12 MP3 Songs POP: 60's Pop, EASY LISTENING: Soft Rock Details: I have always wanted to record a complete Christmas album. Of course my favorites are The Beach Boys Christmas Album as well as The Phil Spector Christmas Album. There are seven songs that I wrote on this release that come from my many decades of writing, as well as three songs from the pen of Brian Wilson and a Bucky Wilkin (Ronny the Daytonas) non-chart tune from 1966. For those who have enjoyed my BRIAN SINGS WILSON recording, I think this seasonal collection will not disappoint you.
