Good storytelling, pop structure with great musicianship throughout. In the vein of James Taylor and Cat Stevens. 13 MP3 Songs POP: 70's Pop, ROCK: Acoustic Details: Craver is an acoustic based rock band from Atlanta, Georgia. The musicians came together via Open Mic nights in the Atlanta area. They quickly found that they shared a passion for music. Fueled by their desire to play-out in the Atlanta club scene, Craver rallied around the original works of David Craver. "Better Man" is the latest release from Craver. This collection features all new songs plus the hit from their first release, "Get Out of My Head". "Better Man" blends great hooks with smooth melodies to create familiar, yet unique songs. David Lamaina returns on this release with his incredible saxophone.
