

Mp3 Devils River - Dead Man's Canyon

[DOWNLOAD HERE](#)

Soulful and upbeat rock, rhythm and blues with a mysterious something that makes this trio's music a unique and fulfilling experience that should not be missed. 10 MP3 Songs BLUES: Electric Blues, ROCK: 60's Rock Details: Celebrate the resurgence and revival of British Blues Music with the superb debut album by Devils River blues band from Southport, UK. It will make you laugh, it will make you cry, it will move your soul. With entertaining and often deeply moving lyrics Devils River create an incredible sound with a Texas and Chicago blues foundation, some funky rhythms and catchy melodies these guys have created a whole new sound which sounds modern and old both at the same time. Devils River were described in a recent newspaper article as providers of a 'masterclass' of rock, rhythm and blues. The audience was a mixture of young and old alike but the challenging venue was a young punk rock night club. The audience were left in awe and you will be too. Capturing the essence of a live blues performance with all the foot tapping fun and hard emotion you would expect from a great blues rock band, the album is packed from start to finish with superb electric blues rock numbers. There is certainly an element of mystery to this band and their sound is very powerful and full for a trio. You will not be disappointed if you add this to your collection.
