An exciting entre into the world of London improvised music, Meiranos debut release is a must listen 6 MP3 Songs JAZZ: Free Jazz, CLASSICAL: Contemporary Details: An exciting entre into the world of London improvised music, Meiranos debut release is a must listen. The lyrical and passionate improvisation captured on this disc transports you into the recording room where the dialogue between the musicians blossoms. Born in Northern Italy, Gabriele Meirano followed his musical aspirations to London, where he established himself as a talented member of the free music scene. Meirano is joined here by two of the musicians he has worked closely with over the past several years; Jim Dvorak on trumpet and bassist Roberto Bellatalla have been central figures of the British Jazz/Improvisers scene since the late 1970s.
