Original light-hearted yet heartfelt West Coast Folk Rock full of rich harmonies and layered acoustic instrumentation. 13 MP3 Songs FOLK: Folk-Rock, FOLK: Modern Folk Details: John Gates and Bill Goodell, seasoned coffee-shoppers turned folk-rock duo, met in 2002 at a 4-day Jimmy Messina (Buffalo Springfield, Poco, Loggins Messina) songwriter performance workshop. Sharing musical backgrounds and tastes, they began playing local showcases and open-mics in the music-rich Santa Barbara area and quickly gained notice and booking in the region. Their original songs are personal, and real, and range from haunting ballads to rollicking tongue-in-cheek novelties. Their shows are distinguished by the amount of richness in harmony and arrangement they accomplish with only two performers. John and Bill have shared the stage with some legendary musicians including Jim Messina, Kenny Edwards, Freebo, Crosby Loggins, Chris Polonus, Kate Wallace and a veritable who's who of local Santa Barbara musicians. They have twice received "honorable mention" awards in the Billboard World Song Contest and the new CD, Can Life Be So Simple? is already garnering rave reviews.
