Rock SKA Funk with satirical humor fun. 9 MP3 Songs ROCK: 80's Rock, URBAN/R&B: R&B Pop Crossover Details: The Gomer Hendrix band has finished it's debute CD entitled "What, Me Experienced?" This nine song release is full of fun, eclectic, satirical tunes that will have you singing along. One bay area music critic says, "A fun 80's ska band sound with lots of humor!" Oingo Boingo and Frank Zappa were a big inspiration to this band. Gomer's guitar style is a mix of Steve Vai, Van Halen, Jimi Hendrix, and Frank Zappa. Steve Morse is also a favorite player. One of Gomer's outstanding solos can be heard on "Bumblin' Idiots" and "Sex". The Gomer Hendrix band has been around since 1998 playing bars and various private parties around the San Francisco bay area. The band is also known for being a party dance band. The eclectic grooves on their original music CD are extensive. The band loves doing private parties most of all, and can also cover a wide range of material.
