the hottest rap group from the south 16 MP3 Songs HIP HOP/RAP: Southern Style, URBAN/R&B: R&B Rap mix Details: ILL-PIRE 4 rappers from new orleans, louisiana that have spent years in the underground rap scene coming together and crafting a style that will take the world by storm. Music for the ladies to dance to for the hustlas, music to hold down the hood and the players to get their ball on. Badseed, Shotime, Araton and Ricochet offer listners and vareity of styles and flows with ear pleasing tracks that take rap to another level. The group, started in 2002, have been knowing each other since the early 90's and finally linked up and put their talents together. From battling each other to holding their own on the streets of New Orleans, each member is battle tested and have proven their worth be it gigs at hole in the walls or talent shows. This is southern rap on another level. Lyrics, flows, beats, this is the new revolution in the dirty south's dominance of rap/hip hop.
