More importantly, it's about the songs whether you label them pop, folk or even country. A singer-songwriter (Francisca Corteso) and her three very distinguished guests: Filipe Pacheco, Nuno Rafael and Jos Vilo. Minta's EP You contains five songs that were originally recorded and uploaded at home by Francisca. Later on, Rafael started to work on her recordings and they spent some time at a studio to register Vilo's drums and percussion and Pacheco's guitar as well other sounds, mainly an endless list of vocal tracks. After the recording process was finished, Rafael mixed the EP with Nelson Carvalho, who also mastered it. "we discover in Minta and in her "song to celebrate our love" a very beautiful spectral folk, with psychedelic abandon in the melodies painted window barroqueness in the vocal harmonies." (Mrio Lopes, psilon Pblico)
