

# Mp3 Nubyon Featuring Dre'sco - Africa

[DOWNLOAD HERE](#)

Jazzy R&B with a old school soulful twist 9 MP3 Songs URBAN/R&B: Soul, JAZZ: Smooth Jazz Details: Biography Once again NuBYON has embarked on a musical journey to fulfill their quest to promote and uplift the consciousness of a powerful force that heals. Music is the universal medicine that soothes the hurting souls of brothers and sisters throughout the world suffering from AIDS. The message is clear, they need help and we are their keepers. The songs compiled on this CD entitled Africa, NuBYON's way of offering their musical talents in an effort to contribute to a worthwhile cause. Dre'sco continues to use his song writing and vocal skills coupled with selecting from the most proficient sidemen from Chicago's reservoir of musicians and performers. His musical back up includes Art Love on bass, Frank Alexander on drums, Alan Burroughs on guitar, Mike Young on saxophones, and Louis Sanford on percussion. NuBYON truly offers an array of experience and professionalism. We hope you will enjoy this musical experience and always remember there is enough love to heal the world. "Africa, your light will shine again." Peace Be With You, Dre'sco
