As one critic wrote about the singer-songwriter's debut CD, WE ALL NEED (2006), Maffetone's breathy harmonies, acoustic and shimmering electric chords combine to form a tasty serving of late 1960s-style dreamy pop, not unlike the White Album-era Beatles. Phils new CD, BETWEEN US, like his first album, features guest appearances by John Frusciante (Red Hot Chili Peppers), Brad Wilk (Audioslave/Rage) and solo artist Jonny Polonsky. Singing and playing piano and flute with Phil is the gifted and magical Dr. Coralee Thompson, a former medical director. Coralee's singing is multi-layered, rich, and melodic; her wonderful voice takes listeners to sweet, private places of soothing enchantment. Phil Coralee create a catchy blend of folk-rock whose unique sound showcases original songwriting with subtle, mesmerizing power.
