An eclectic mix of various pop stylings, ranging from power pop to country to a lullaby. 14 MP3 Songs POP: Pop/Rock, ROCK: Americana Details: Ive been a musician long enough to have played on both American Bandstand and The Merv Griffin Show. Im one of the few who can say he appeared in a movie with both Jim Carey and Nicholas Cage . Ive also had opportunity to Jam with Bruce Springstein. Life is interesting. I once played drums on a Calvin Klien commercial where Brooke Shields said when I move, I really move, and I dont make a move, without my Calvin's. Years later I saw Brooke at an airport but , I thought Id leave better off alone. Once for a music video, I was in a row boat and was towed into the ocean off the coast of England. I was dressed as a pirate. I thought I would be killed for sure, but alas Neptune spared me. Throughout the years Ive been blessed to have many cool musical experiences. Thank you, RC
