Robert E. has an exceptional ability to write songs with humor and truth that relate to the common man. A baritone voice with a touch of blues country adds a new flavor country. His flare for southern rock implicates his ability to stretch the imagination 12 MP3 Songs COUNTRY: Country Blues, COUNTRY: Country Pop Details: Robert E. Walden is a singer songwriter with a soulful baritone voice that blends a cross from Nashville to Memphis. His songs relate to the common man with a sense of humor and truth. His father played for the Pittsburgh Steelers back in the 70's (Bobby Walden Sr.) Robert followed in his fathers footsteps playing for Auburn University under Pat Dye and starting at quarterback in 1985 the year Bo Jackson won the Heisman. After suffering a career ending knee injury he found solace in his passion for country music. This is Robert E's first release which was recorded out of Nashville on music row.
