Details: Simple tunes in a field of musical morsels. Ron Harrisons songs are easy to get and always salt and peppered with just the right flavoring of guest talent and arrangement to purposefully undermine the brooding songwriter within. Special to this compilation is Ron Harrisons honoring of the great songwriter, Laura Nyro. Rons version of And When I Die combines the great Laura Nyro lyric while attempting a samba-rock toying with the familiar Blood Sweat and Tears arrangement. Like his first cd, Move On, River Road could easily excite you with careful but fruitful arrangements of acoustic and electric guitar, percussion, brass, flute, and keyboard Banjo, too!.
