URBAN/R&B: Soul, URBAN/R&B: Funk Details: TER'ELL SHAHID Ter'ell Shahid is a singer/ song writer/ producer from Austin, Texas. On the LOVE, TRUTH and AUDIO TAPE CD, Ter'ell opens with a spoken word tribute to women narrated over a hiphop beat with jazz influenced music. This monologue sets the tone for the entire body of work. He comes across as a male version of Jill Scott with afro -centric overtones similar to Badu. He targets a broad audience that includes college kids all the way to 50 year old mature listeners. Ter'ell's sound is Urban and is a nice gumbo of relevant styles. He mixes hiphop, jazz, blues, funk and soul to create what you hear on this CD. The voice of Ter'ell is also soothing and unique. You can hear the influences of Maurice White, The Isley Brothers, Levert, Curtis Mayfield, Parliament, Stevie Wonder, and Prince. On many of the tracks, all instruments were also played by Ter'ell. He has become well versed on sax, drums, bass, keys, flute, and percussion. Ter'ell feels that his messages are deeply needed in this day of repetition and bad lyrics that bring women down or glorify money as if it is better than God himself. This artist can bring balance to this industry. Please look carefully into the sounds of Ter'ell..its what your ears are craving!!!!
