

# Mp3 The Helix Worship Project - Rock: Modern Rock

[DOWNLOAD HERE](#)

Loud and powerful indie-rock worship music for the young and old. Written by members of Helix Foursquare Church in Portland, Oregon, these songs will captivate with their honesty and passion. 12 MP3 Songs ROCK: Modern Rock, POP: New Wave Details: CD-ROM features: - 24-page PDF booklet with song lyrics and chords. - 11-minute documentary video, produced the latter part of 2004. - text-only lyrics file for easy cut-and-paste into presentation software. - Creative Commons license allowing the songs to be distributed and performed royalty-free. Guitar riffs, synthesizer textures, resounding drums, and powerful vocals all implore the listener to worship, sing, and dance along in this 12-song collection of tracks written and performed by members of Helix Foursquare Church. The music reflects both the diversity of the people and the unity of their worship together, capturing their passion, and chronicling the journey of souls seeking to be closer to God and closer to the community around them. This compact disc was produced with tools to help others incorporate these songs into their own worship, providing complete electronic lyrics/chord sheets and a royalty-free license for anyone to perform the songs themselves.
