Country 13 MP3 Songs COUNTRY: Country Folk, COUNTRY: Country Rock Details: SONGS FROM THE MOTHER ROAD A wonderful collection of songs paying tribute to the sites and the people along Route 66, the worlds most famous highway. The variety of musical styles includes folk, country, blues, western swing and even a touch of surfer pop. From the pen of hit songwriter, Woody Bomar, comes these tunes inspired and born on The Mother Road. Woody has composed music for Loretta Lynn, Conway Twitty, Jim Glaser, Hank Williams, Jr., Lynn Anderson, Lee Greenwood, T.G. Shepperd, Rhonda Vincent and others. I love the road and I love the people all along the way, says Woody. This Project is a total labor of love. The energy of this music is so contagious it will have you itching to hit the road yourself! The album is performed by The Road Crew, featuring former CBS Records Artist Don King. You just cant sing these songs and not feel the spirit of the old road under your feet, said Don. In tribute to the late Bobby Troop, The Road Crew adds their flavor to his classic hit (Get Your Kicks On) Route 66 as a special bonus track. The energy of this entire album is guaranteed to add another dimension of fun and excitement to your Route 66 experience
