Country-fied Alt.Rockers from West Texas. 11 MP3 Songs COUNTRY: Country Rock, ROCK: Americana  
Details: Coming out of Lubbock, Tx, Waiting To Derail create music that is both sparse, yet meaningful. Drawing inspiration from the isolation that is life in Lubbock, Waiting To Derail continue on in the tradition of Buddy Holly, The Flatlanders, and Waylon Jennings, mixing country with rock 'n' roll. Call them Alt.Country, call them ya'llternative, call them whatever. Waiting To Derail will continue to write and play music that is entertaining and original. 2006 sees the release of Waiting To Derail's self-titled, self-released debut. Recorded in West Texas, the album is a mixture of both rock and country, and it contains songs that will stick in your head for days! So if you like a little bit of country with your rock 'n' roll, then Waiting To Derail will not disappoint!
