Universal Music for the Soul - Frontline Hip Hop 14 MP3 Songs HIP HOP/RAP: Hip Hop, HIP HOP/RAP: West Coast Rap Details: Xile is a rare breed...an artist with a purpose higher than himself. In 1994 Xile realized his lack of purpose in life and began his search for meaning. Since that October day Xile has been on the warpath to bring conscience lyrics, with a purpose driven mindset to the forefront of the Hip Hop arena. The Hip Hop genre is so mired in lyrics of gang activity, drugs, sex, violence, jewels, cribs and whips (cars) it is mundane. He believes life has so much more to offer and for sometime there has needed to be that Trail Blazer to set themselves apart and deliver a fresh perspective! Xile truly is a soldier in every aspect of the word. In his lyrics he drives home the point of the war we face everyday against ourselves. He also speaks on the war that wages for the soul of mankind. Delivering answers and not just posing the problem is why Xile has been labeled the Army of One, The Arsonist and of course "The Like of Whom Has Never Been".
