After her father's death at the Battle of Hastings, Lady Angela of Parr is defenseless. Dragged from her estate and taken to London, she finds herself at the mercy of a ruthless Norman king. William, the new king of England, plans to repay his loyal knights by offering them marriage to the landed Saxon ladies. Angela has no love for the Normans, but when she meets Sir Damien de Anesi she is instantly smitten and puts her reputation in jeopardy by secretly meeting with the handsome young Norman knight. Their love blossoms until King William betroths Angela to a depraved old man and Sir Damien is forced to choose between his loyalty to his liege and his love for Lady Angela. Special Content Alert: Anal intercourse, light spanking Excerpt: He discovered he could not blink as she casually reached behind her head to release a cascade of hair that tumbled like black silk across the floor. Her large, ivory breasts with their enticingly erect rose-pink nipples mesmerized him. His gaze drifted across her pure white skin to her softly rounded belly. His mouth went dry as he glimpsed the stark triangle of damp, dark curls nestled between her open thighs. She was beautiful and in this moment she was his and his alone. He was lost. Kneeling carefully between her legs, he leaned over her, supporting himself on his forearms. He kissed a

slow, wet trail up her belly to the valley between her breasts. He kissed each white mound then lazily circled his tongue around each pink bud before gently suckling one and then the other. Angela began mewling and arching her back as he continued to torment her nipples, raking them with his teeth until they stood up, deep red and erect. "Sir Damien, please. . . it is too good. I fear I cannot stand such pleasure," she gasped. Damien rose above her and kissed the tip of her nose. "Do you want me to stop, my sweet angel?" He brushed a lock of damp hair from her flushed face and tenderly kissed her neck. Angela shook her head. "No, please continue." Damien chuckled and lashed his tongue across her sensitive nipples. Dear Lord, she tasted like honey, so sweet. He fought for control, desperate to ensure his lovemaking remain gentle for her first time. Consumed with lust, he longed to bury himself deep within her and ride her hard to completion. He slipped his hand down to her quivering belly and let it rest there a while before slipping his fingers between her open thighs. He felt her tense at his touch. "Oh sweet angel," he whispered, "relax and allow yourself to enjoy." She was so very wet and his fingers glistened with her moisture as he tenderly probed her folds. Slipping a finger inside, he prodded gently. So hot, so tight. He found her pearl with his thumb, and circled it slowly. He wanted so to taste her, to drink her virgin honey, to suck her swollen pearl until she screamed out his name in passion. Her small hands slid down his back and held him tightly, her breath coming in short pants. He continued swirling his fingers and suckling her tender buds until she cried out and arched against him, trembling in ecstatic completion. He muffled her cries of pleasure with a kiss. He was well pleased when she pushed her hands through his hair and returned his kiss with passion. "I want to taste you, to feel you tremble against my mouth," he said as he grasped her rounded bottom with both hands and lifted her soaking folds to his lips. He felt her tense for a second before her fingers twirled in his hair and she moaned her approval. He drove his tongue deep inside, probing and swirling as she writhed in his hands. She tasted so sweet, and her nectar ran down his chin as he lapped. He found her hard pearl and sucked, holding her firmly until her whole body shuddered to conclusion.
